Saturday, December 6, 2014, at 06.30 – 07.30 am

The Palace Hotel, Marina Room

2 New Montgomery Street, San Francisco (right next to the Convention Center)

Please be invited to share interesting lectures in the field of research for ITP.

The Scientific Program:

Chairman

Paul Imbach, M.D.

Thomas Kühne, M.D.

University Children's Hospital
Basel, Switzerland

Simon Stritt

University's Research Center for
Experimental Biomedicine
Würzburg, Germany

Nichola Cooper

Hammersmith Hospital
London, UK

Donald Arnold

McMaster University
Hamilton, Canada

Update of PARC-ITP Registry

How many platelets are needed to maintain mouse vascular integrity?

Current practice of diagnosis and management of bleeding in adult patients with ITP

Should we bother measuring bleeding or is platelet count enough?

Thank you

Thank you so much for your support and collaboration with us and for sharing your data with us. Your effort is of high value in the field of research in ITP.

Yours sincerely

Paul Imbach Thomas Kühne Johannes Rischewski Caroline Martin Asal Verena Stahel Monika Imbach
