Dear colleagues

Please find herewith our May 2015 Newsletter:

### 5<sup>th</sup> ICIS Expert Meeting in Switzerland

The 5th ICIS Expert Meeting in Switzerland on “**Immunomodulation and Management in ITP and other autoimmune Disorders**” will be held on **September 24-26, 2015 in Flüeli-Ranft, Switzerland.**

Please be invited to share interesting lectures in the field of research for ITP.

There will be 6 sessions with different disciplines, but all will focus on immunomodulation and management in autoimmune disorders and ITP:

Plenary session 1: Immunomodulation and Therapeutics

Plenary session 2: Rheumatology

Plenary session 3: Immunology in Gastroenterology

Plenary session 4: Neurology

Plenary session 5: Dermatology

Plenary session 6: Hematology

These sessions with plenary lectures will be followed by working group sessions with the opportunity to further discuss immunological and other topics in ITP. Moreover, the workshop sessions offer opportunities to give short oral presentations and will be summarized on Saturday morning.

It is a great pleasure and honor for us to invite you to attend our meeting and to act as an expert in a working group. In each working group short talk/presentations may be held and abstracts may be published in the Supplementum of Seminars in Hematology. For further details and registration please visit [www.itpbasel.ch/Meetings-Agenda](http://www.itpbasel.ch/Meetings-Agenda), thank you.

**PARC-ITP Registry updates**

Please continue to register all your newly diagnosed patients regularly, either by direct internet access ([www.parc-itp.net](http://www.parc-itp.net)) or, if your system does not allow you to do so, by completing forms and sending them to our data manager Caroline Martin Asal ([itpbasel@unibas.ch](mailto:itpbasel@unibas.ch)), and she is happy to register these data for you. The direct fax number is +41 61 903 02 88.

For entering follow up data please check your files every month to see if follow-up information is due and complete all the forms that are marked underlined in the form row on the starting page of your institution (after login with username and password on [www.parc-itp.net](http://www.parc-itp.net) you see listed all your registered cases).

**Splenectomy Registry updates**

Please send the data of your patients who are planned for splenectomy or who are splenectomised to [splenectomy@ukbb.ch](mailto:splenectomy@ukbb.ch), thank you. The fax number is +41 61 704 12 41.

Please check your files regularly to see if follow-up information is due.

**Thank you**

Thank you so much for your support and collaboration with us and for sharing your data with us. Your effort is of high value in the field of research in ITP and we are happy to proceed with you.

Yours sincerely
