PARC-ITP Registry updates

Please continue to register all your newly diagnosed patients regularly, either by direct internet access (www.parc-ity.net) or, if your system does not allow you to do so, by completing forms and sending them to our data manager Caroline Martin Asal (itypbasel@unibas.ch), and she will be happy to register these data for you. The fax number is +41 61 704 12 41.

For entering follow-up data please check your files every month to see, if follow-up information is due and complete all the forms that are underlined in the form row on the starting page of your institution (after login with your username and password on www.parc-ity.net you will see all your registered cases listed).

Splenectomy Registry updates

Please send the data of your patients, who are planned for splenectomy, or who are already splenectomised to splenectomy@ukbb.ch, thank you. The fax number is +41 61 704 12 41.

Please check your files regularly to see, if follow-up information is due.

Yours sincerely
